California Appliance Efficiency Program
2014 Test Laboratory Renewal Application

This is a PDF fillable form. A completed paper copy of this form must be printed, signed, and submitted electronically as an e-mail attachment to appliances@energy.ca.gov.

PLEASE NOTE THAT:

- This form is for direct continuation of a 2013 approval ONLY. Changes to the name or location of the test laboratory must be submitted on a new application.
- Applications that have been re-typed in your own format WILL NOT be accepted.
- Please allow at least four weeks during the heavy renewal period (November-March) before contacting us regarding your application.

Contact Person Name Josh Parent	Phone 1 847-704-6330
Company / Laboratory Name Air Movement and Control Association, Inc. (AMCA)	Phone 2
Address 30 West University Drive, Arlington Heights, IL. 60004	Fax 847-253-0088
(Address)	E-mail jparent@amca.org
(Address)	Company Website (URL) www.amca.org

Renewal Request:

By filling out this form, you are indicating that you wish to remain approved in 2014 for the appliances that you were approved to test in 2013. Please also check one of the following two boxes:

☒ **The list of appliances you are testing has not changed.**

☐ **You are no longer testing the following appliances:**

_____

_____

_____

NOTE - This application CAN NOT BE USED to renew the following approvals, which are subject to unique requirements and have unique forms:

Consumer Electronics, Commercial Refrigeration Equipment, Large Storage Water Heaters, Plumbing Fittings, and Third Party Certifier Approval.

Please use the forms specific to these categories to renew these approvals.

Air Movement and Control Association, Inc. (AMCA) states:

Name of Laboratory

[Initial or mark affirmatively all appropriate paragraphs]

JP It has conducted the tests for which it is seeking to renew its approval within the previous 12 months;

JP It agrees to and does interpret and apply the applicable test method(s) set forth in Section 1604 precisely as written;

JP It has, and keeps properly calibrated and maintained, all equipment, material, and facilities necessary to apply the applicable test method(s) precisely as written;

JP It agrees to and does maintain copies of all test reports, and provides any such report to the Executive Director on request, for all basic models that are still in commercial production;

JP It agrees to and does allow the Executive Director to witness any test of such an appliance on request, up to once per calendar year for each basic model; and

JP It agrees to, and will follow, all applicable provisions of the California Energy Commission's Appliance Regulations (Section 1601 – 1608 of Title 20 of the California Code of Regulations), in carrying out all testing pursuant to this application.

I declare under penalty of perjury of the laws of the State of California, that:

All the information in this statement is true, complete, accurate, and in compliance with all applicable provisions of Sections 1601 – 1608 of Title 20 of the California Code of Regulations; and

I am authorized to make this declaration, and to file this application, on behalf of

Air Movement and Control Association, Inc. (AMCA).
