ASIA AMCA ADDS MEMBER TO BOARD OF DIRECTORS

ARLINGTON HEIGHTS, Ill., June 15, 2016 – The Air Movement and Control Association (AMCA) International Inc. announced that it has appointed Mr. Asokdas MD, Manager Director for Systemair India, to the Asia AMCA Board of Directors.

Mr. Asokdas MD has been with Systemair since 2007. His first assignment was developing Systemair's market in Middle East region. In 2009, Mr. Asokdas MD moved to India as head marketing for fire & safety products. He was appointed to his current role in 2011, where he is in charge of the business operations for Systemair in India. Mr. Asokdas MD had been instrumental in establishing the Systemair brand in the Indian market for ventilation fans, air handling units & air distribution products. He has a Bachelors in Mechanical Engineering from Bangalore University, and is an active member of ISHRAE & ASHRAE.

"I am honored to be a part of AMCA. Being the first person from India to hold this role, I believe that I can contribute towards strengthening the position of AMCA in Asia" said Mr. Asokdas MD.

"We are excited to have Mr. Asokdas join the Asia AMCA Board of Directors at a time when AMCA is growing rapidly in the region," said Mark Stevens, Executive Director, AMCA International. "His business leadership and communication skills will continue to grow Asia AMCA membership while further establishing and deepening our relationships in the region."

Mr. Asokdas MD joins AMCA International representation also on the Asia AMCA Board of Directors, which includes CK So of GTG Industries, Malaysia, and Mark Stevens of AMCA International.

About AMCA International

The Air Movement and Control Association (AMCA) International Inc. Is a not-for-profit trade association with more than 360 member companies worldwide representing more than \$3 billion in annual revenue. AMCA's mission is to advance the health, growth and integrity of the air movement and control industry, with programs like certified ratings, verification of compliance and international standard development. AMCA also advocates for model codes, regulations and utility incentive programs that promote efficiency and life safety. For more information about AMCA, visit www.amca.org.
