AMCA INTERNATIONAL HOLDS SEMINAR WITH ASHRAE ORYX CHAPTER IN DOHA, QATAR

ARLINGTON HEIGHTS, Ill., Dec. 14, 2016 - The Air Movement and Control Association (AMCA) International Inc. is pleased to announce that it held a technical seminar in partnership with the ASHRAE Oryx chapter at the InterContinental Hotel Doha – The City, Doha, Qatar. The seminar, called the Middle East Air-Systems Engineering Seminar, had over 200 in attendance, making it the largest event hosted by AMCA in Qatar.

The event provided instruction to an audience of engineers who work for Qatari agencies and organizations. The topics and speakers included:

- Mark Stevens, AMCA International, presenting “AMCA Overview,” “Avoiding Fan System Effect” and “Introduction of Fan Efficiency Index;”
- Roberto Arias, Zitrón S.A, presenting “Fan Design for Tunnel-Smoke Exhaust;”
- Saad Ali, Ruskin Titus Gulf, presenting “Sizing and Selecting AMCA-Certified Sand Louvers;” and
- Arun Thakur, Maico Gulf, presenting “CFD Analysis for Validating Design of Car Park Ductless System as Per QCDD Criteria.”

“To host an event in Qatar with over 200 attendees, during the weekend, shows the desire for the quality content that AMCA and ASHRAE deliver,” said Mark Stevens, Executive Director, AMCA International. “AMCA’s partnership with ASHRAE Oryx chapter provides the perfect platform for attendees, sponsors and associations to gather and drive forward the air systems industry in the Middle East and North Africa region.”

The seminar was sponsored by Maico Gulf (DYN AIR & ELICENT)., Ruskin Titus, Hira Walraven, Aerofoam, Multi-Wing and Hamman Industries & Co.

“Undoubtedly, AMCA delivered a beautiful and enriching seminar experience,” said Mr. Fadi AbouJamra, President, ASHRAE Oryx chapter. “AMCA and ASHRAE Oryx have a promising partnership that we would like to see extended in the future.”

About AMCA International

The Air Movement and Control Association (AMCA) International Inc. is a not-for-profit trade association with more than 360 member companies worldwide representing more than \$3 billion in annual revenue. AMCA's mission is to advance the health, growth and integrity of the air movement and control industry, with programs like certified ratings, verification of compliance and international standard development. AMCA also advocates for model codes, regulations and utility incentive programs that promote efficiency and life safety. For more information about AMCA, visit www.amca.org.
