### **AMCA INTERNATIONAL APPOINTS SAAD ALI AS CHAIR OF MIDDLE EAST REGION MARKETING COMMITTEE**

ARLINGTON HEIGHTS, Ill., January 18, 2016 – The Air Movement and Control Association (AMCA) International Inc. announced that it has appointed Saad Ali, General Manager for Ruskin Titus Gulf Manufacturing LLC, as the chair of the AMCA Middle East Region Marketing Committee.

Ali is the vice president & general manager for the Middle East/North Africa Region of Ruskin Titus Gulf. He is a chartered mechanical engineer from the School of Engineering Kingston University London and a member of the U.K.'s Institution of Engineering and Technology. Ali has published many articles on ventilation systems and life-safety products, and he was a presenter at the AMCA Middle East Technical Seminar held in Dubai, United Arab Emirates, in November 2015.

"I am honored and excited to be part of this great institution," said Ali.

"We are excited to have Saad Ali leading the Middle East Marketing Committee at a time when AMCA is launching the sand louver certification program and establishing stronger relations in the region," said Mark Stevens, Executive Director, AMCA International. "His business leadership and communication skills will accelerate AMCA's programs in the Middle East."

Saad Ali, Vice President & General Manager for the Middle East/North Africa Region of Ruskin Titus Gulf.
