2018 EDITION OF AMCA INMOTION MAGAZINE WINS PR NEWS NONPROFIT AWARD

*Takes home honors in Annual Publication or Brochure
and External Publication or Report (online or print) categories*

ARLINGTON HEIGHTS, Ill., March 20, 2019—The 2018 edition of Air Movement and Control Association (AMCA) International's *AMCA inmotion* magazine received two honors during PR News' 2019 CSR & Nonprofit Awards Luncheon March 15 at The National Press Club in Washington, D.C.

The 2018 edition of *AMCA inmotion* won the [Nonprofit](#) award for Annual Publication or Brochure and received an honorable mention in the Nonprofit category of External Publication or Report (online or print).

AMCA Manager of Industry Content Scott Arnold, who serves as editor in chief of *AMCA inmotion*, was on hand to accept the honors.

[PR News](#) is a company focused on honing and growing public-relations (PR), communications, and marketing professionals' skills in social media, crisis management, digital PR, measurement, employee relations, media training, corporate social responsibility, and writing through its flagship newsletter, webinars, conferences, awards programs, workshops, and guidebooks.

Published and distributed in partnership with ASHRAE Media, [the 2018 edition of AMCA inmotion](#) was polybagged and mailed with the November 2018 issue of *ASHRAE Journal* and with the Winter 2018 issue of ASHRAE's *High Performing Buildings* magazine. Additionally, it was distributed at the 2019 International Air-Conditioning, Heating, Refrigerating Exposition (AHR Expo) in Atlanta in January.

The 2019 edition of *AMCA inmotion* will be published in September.

About AMCA International

Air Movement and Control Association (AMCA) International Inc. is a not-for-profit association of manufacturers of fans, dampers, louvers, air curtains, and other air-system components for commercial HVAC, industrial-process, and power-generation applications. With programs such as certified ratings, laboratory accreditation, verification of compliance, and international standards development, its mission is to advance the knowledge of air systems and uphold industry integrity on behalf of AMCA members worldwide. For more information about AMCA, visit www.amca.org.
