AMCA INTERNATIONAL REVISES AMCA PUBLICATION 222

ARLINGTON HEIGHTS, Ill., Feb. 9, 2017 - The Air Movement and Control Association (AMCA) International Inc. announces the revision of AMCA Publication 222-16, *Application Manual for Air Curtains*.

AMCA Publication 222 is an application guide meant to familiarize the reader with air curtain unit (ACU) technology. It covers ACU theory, construction, performance standards, applications, benefits, selection, installation, commissioning, service and maintenance.

AMCA Publication 222 is available at the AMCA store, which can be accessed at www.amca.org/store. AMCA members receive a 50 percent discount on this and all items in the store. AMCA members should log in to their account at <http://www.amca.org/members/login.aspx> before logging into the AMCA store, ensuring their discount. Licenses for more than one person can be purchased while checking out, and a redline version showing what has changed will soon be available.

For more information regarding this publication, please contact Erin Moore at emoore@amca.org or +1 (847) 704-6285.

About AMCA International

The Air Movement and Control Association (AMCA) International Inc. is a not-for-profit trade association with more than 370 member companies worldwide representing more than \$3 billion in annual revenue. AMCA's mission is to advance the health, growth and integrity of the air movement and control industry, with programs like certified ratings, verification of compliance and international standard development. AMCA also advocates for model codes, regulations and utility incentive programs that promote efficiency and life safety. For more information about AMCA, visit
